The parade will line up at the Senior Suites Nursing Home at 6:00 P.M.

The parade will begin at 7:00 P.M.

If your entry involves a group of participants, please arrange to meet in advance to lining up for the parade at the nursing home. This is especially important if children are riding on a float. Please arrange to car-pool the children to the nursing home and arrange for a place to meet the parents after the parade. The nursing home parking lot cannot accommodate a large number of vehicles coming in and out dropping off participants. This is to improve the safety of all participants.

Your cooperation is greatly appreciated!

Entry forms are to be returned to Emory City Hall by Tuesday, December 1st, 2020. Participants who do not sign up in advance will be placed at the back of the parade as space permits, but will not be guaranteed a spot in the parade.

The parade is TENTATIVE, and is subject to Weather and COVID. Masks are recommended

We have confirmed that Santa Claus will be here for this event, so please no other Santa's allowed.
